

SMS Sunday Message: December 6

Good evening, Spartan Family! This is Matthew A. Mason, proud principal of Sandusky Middle School, and here is the Sunday Message for the week of December 7 - 11. This message has been forwarded to our SMS family via email and can also be found on our website under the Sunday Messages tab.

- Sandusky Middle School is in the process of preparing for school sports when they are available. Parents and students, if you would like to participate, you must have an up-to-date physical on file. Please provide those to our school at your earliest convenience so that we can begin scheduling Spartan workouts for the afternoons. We must and will follow strict social distancing guidelines, so these numbers will help us decide when to begin and how to structure these workouts. Thank you.
- Quarter 2 interim grades will be provided to all families on Monday, December 7. These grades will be provided on your child's Infinite Campus portal. We will also provide hard copies of interim grades for all hybrid students before the end of the week. Parents, guardians and students, please reach out to individual teachers if you have any questions concerning grades.
- If you are an Algebra II student, there will be a scheduled 1 pm Zoom every Monday to provide extra support from your Algebra II teacher. This began on Monday, November 30. The link for the Zoom will be posted in your Google Classroom each Monday morning.
- The Sandusky Middle School Student Council Association is promoting a canned food drive from November 9 - December 11! Items can be delivered to home rooms each day. Students will receive three (3) PBIS points per non-perishable canned good item they bring. There will be a first, second,

and third place homeroom selected for the amount of canned goods, and each class will receive a prize. We set the bar for 600, and we smashed it! Right now, we have 678 canned goods that have been collected! Can we do 1000?! We have until Friday, December 11. Let's keep bringing in more items and continue to help those of our community in need!

Please check today's email, our Twitter account (@Spartans_SMS), our Facebook page and our website for more important information on school events. Again, this is Matthew A. Mason, and SMS is pleased to serve our community!
