

Principal's News November 2019

Hey there,

In case you missed it, we were so excited to be the first school chosen in Virginia to host a virtual pop in from the Washington Redskins. Our students in the 4th and 5th grade were able to participate in a question and answer session with one of the team members. The month of November is going to be a fun one, make sure you check the schedule below for all of our events. Also, thanks to all of you that participated in the trunk or treat, it was a really exciting time for our students. As a reminder, in addition to paper form, the newsletters will also be uploaded on our school's website.

The Library Link

Happy Thanksgiving from the Library! During November – Appalachian Power Co. will be coming to read to 2nd graders on November 21st. We appreciate them coming as they donate the book they read to our library each year.

The first AR quarter ends November 8th and our incentive will be November 15th! Please encourage your child to read and take part in the different reading incentives we have at TCM.

Missing/Lost book reminders went home in report cards in October. Please look at home for missing books or contact Mrs. Johnson via email – (johnsontl@lcsedu.net) for books that are lost. Thank you for all you do!

21st Century Program

November 9th the 21st Century Program traveled to Colonial Williamsburg for our fall field trip. The students and staff had a fun time learning and exploring. We are now preparing for our annual Fish Fry. The Fish Fry will be held on December 12th at 5pm. All 21st Century Program families be on the lookout for the RSVP in the coming weeks.

As a reminder: The before school program runs from 7:15 - 8:15 and is for students in 2nd- 5th grade. Please make sure to bring your students into the office and check them in for the program. Please do not allow the students to come in on their own. Also, students for the before school program will need to be at school by 7:25. We will not allow late arrivers, after 7:25, as it interrupts the learning environment. If you are not able to get your student to school for the morning program by 7:25, they will be able to arrive at 8:15 for the regular school day. Thank you for your understanding and support.

Counselor's Corner

Happy November! This month our theme is "Attitude of Gratitude". We will be encouraging students to identify reasons to be grateful. Classroom guidance lessons will revolve around responsibility and choosing an attitude of gratitude.

We will celebrate November Terrific Kids on Tuesday, November 26 at 2:45p.m.

I am so grateful for the opportunity to partner with TCM families!
